

**FEBRUARY 2024**

### *Presidents' Day Fun*

Presidents' Day, the middle of the cold Utah winter, can be a special day for you to have fun with your family like your children or grandchildren, and pass on some American history to them. Presidents' Day commemorates past presidents of the United States, including George Washington, the USA's first president. I visited Ford's Theater in February 2023, during the CADCA conference in Washington, DC. It was a precious experience for me to re-learn about the life of Lincoln, who served as the 16th president of the United States from 1861 until his assassination in April 1865, and is renowned for leading the nation through the Civil War.

I know that February is not a typical month for traveling to visit historical sites. If you would rather spend the day in the comfort of your home, you can still mark the holiday in style by cooking a feast fit for a president. Everyone appreciates good cooking! According to Taste of Home, some of George Washington's favorite meals with friends and family consisted of meats such as fish and lamb as well as pastries like cherry pie and cakes. Here is a list of some of them and a link to their recipes (source: <https://www.tasteofhome.com/collection/george-washingtons-favorite-foods/>):

- Cherry pie
- Hoe cakes (pancakes made with corn meal)
- Fish
- Trifle
- Lamb and mutton
- Mashed sweet potatoes
- Ice cream

You can learn more about Washington's life at this website: <http://www.mountvernon.org>.

Cooking a wonderful meal for friends and family is a good chance to share your life experiences and enjoy each other's company. Why not teach your grandchildren some fun facts without them even realizing it, by throwing a Presidents Party? If the children are in school you can ask them what they have learned about the presidents – kids love to share their knowledge!
