

Welcome to our Virtual Senior Center! We are happy to have Trish Paints showing us a few of our favorite painting projects. This painting is for FUN, it is not a professional class. We hope you enjoy one or all of the paintings. Be sure to check back as we will be posting more at different times of the year. Let us know if you painted one, we would love to see it. Send us a picture of your painting by emailing us at jang@weberhs.net

Here are a few examples of supplies you may purchase. You can get these items at most any craft store or on line. If you shop at Michael's look for a coupon!
